

BABYSAFE

BABYSAFE is a SOLAS M.E.D.-certified life jacket for infants bearing a black double quick-release acetal buckle with one 30-mm and one 40-mm strap, a whistle secured to the jacket and five retro-reflective bands.

The closure system has an adjustable abdominal belt, back support and padded crotch strap.

The distribution of the buoyancy mass is designed to ensure optimal positioning in the water for newborns and children weighing less than 15 kg.
