

SAILOR 50

SAILOR is a buoyancy aid designed for use in canoes, kayaks, dinghies and small sailing boats.

Certified ISO 12402-5, buoyancy class 50 N.

Thanks to its cropped cut and elastic shoulder straps, it guarantees optimal freedom of movement and maximum comfort.

The vest is individually adaptable thanks to the adjustable belt with safety buckle and adjustable edge, so that it fits the body without slipping.

Front pocket can hold accessories.

Equipped with a side zip and waist belt for maximum safety, without sacrificing comfort.

Complete with crotch strap.

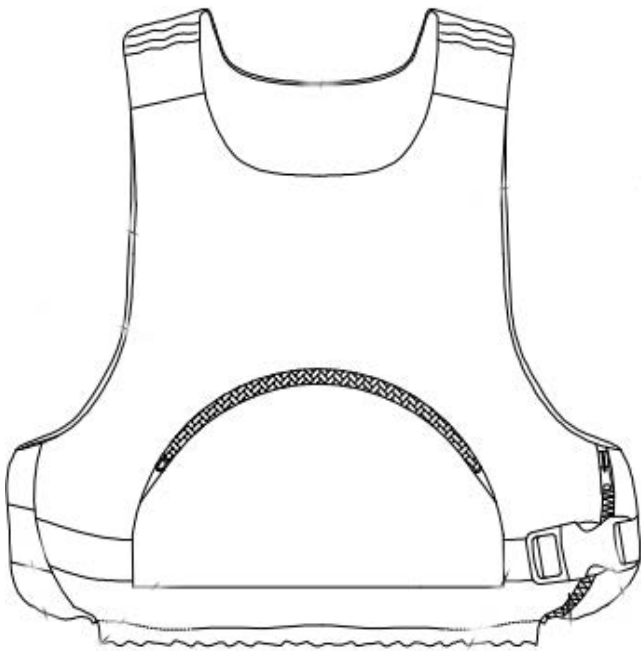

Available with closed-cell PE foam or soft PVC foam.
