

OSCAR

Art. 11030 – 11031 – 11032 – 11033

Buoyancy aids crafted to ensure peace of mind for your four-legged companions, allowing them to sail safely and comfortably on board. Designed with both safety and comfort in mind, these aids feature an inner lining made of soft, floating foam, providing excellent buoyancy while maintaining a comfortable fit. The outer casing is crafted from durable, weather-resistant materials in a vibrant yellow and blue color combination, ensuring visibility in any environment.

Available in four different sizes, these buoyancy aids are perfect for various dog breeds, offering a secure fit and ample freedom of movement for a smooth and enjoyable sailing experience.

Main Features:

- Ergonomic design ensures optimal comfort, allowing your dog to move freely while staying secure.
- Durable and lightweight material provides both strength and comfort without compromising on performance.
- Adjustable closures guarantee a perfect and secure fit, preventing any slipping or discomfort.
- Top handle offers quick and easy retrieval in case of an emergency, making it easier to lift and assist your dog when needed.
- Available in multiple sizes, allowing you to choose the perfect fit for your dog's breed, size, and style.

These buoyancy aids are practical and designed to enhance your dog's safety and well-being while enjoying the water, making them an essential accessory for boating adventures.

Characteristics
Art. 11030 – 11031 – 11032 – 11033
